Dear Jeffery, the mood images were only a tool for us t= get a feel of the overall style and look that we thought you would like. M=ny of the images come from Bali and many others from different places in Me=ico and many different Design Firms.

We will take s=me elements and create our own original designs for you, which will be pres=nted to you in renderings we are working on right now, just like we did wit= the pavilion idea and I am positive you will love them.

We will certainly need help down the road, like all  
t=e consultants we explained, such as Engineers, water feature experts, etc, e=c and we will propose the most suitable ones when the time comes.
