Dear Jeffery, the moo= images were only a tool for us to get a feel of the overall style and loo= that we thought you would like. Many of the images come from Bali and man= others from different places in Mexico and many different Design Firms.=C2

We will take some elements and create our own ori=inal designs for you, which will be presented to you in renderings we are =orking on right now, just like we did with the pavilion idea and I am posi=ive you will love them.

We will certainly n=ed help down the road, like all the consultants we explained, su=h as Engineers, water feature experts, etc, etc and we will propose the mo=t suitable ones when the time comes.
