Jeffrey
Adjusted wood quote:

\$23,500 to change veneer entrance L/H & R/H and Aft=side of cabin door.
2.5 to 3 week down time, once veneer is=located and on hand.

\$17,500 replace entranc= veneer L & R side,,, and fabricate a Chrome decor Panel to cover the v=neer void by Aft side Cabin Door handle, to match VIP Switch Panel plating.=nbsp;
2.5 Weeks, once veneer is located and on hand.,. =/div>

Larry,

The attached proposal is for your review and approval. I have i=cluded two options,

Michael Kelle

Larry,

The attached p=oposal is for your review and approval. I have included to options, t=e first is to replace all the veneer on the cabin door aft side and the sec=nd is to fabricate a aluminum decorative plate and glue it to the door that=is plated to match the existing décor. Let me know what you think.&nbs=;
