There is only one real side.. the science side all the other thinking wa= disproved 400 years ago. there is no such thing as science based.. you=need to learn the language so you can distinguish between clinical trial.s=science done in third countries. and real examples.. The main reason to go=to a good college is to learn truth from fiction, every ivy league school =as its courses and books on-line.. There are NONE that believe in the d=tox.

Had very nice weekend with not touching my computer and phone to much! P=one detox :) hahahah

I want to learn and know both sides very well so I=can make my own decision what to believe or not. Because these times half =f science researches are bought by the companies that need some science ba=ed advertising, so it is not that trustable too.

Thank you for the links!!!!
