Hey Jeffrey

How are you doing? You've been on my mind lately and I was curious so I g=ogled you, I read some of the articles about your prosecution and I felt s= weirded out, it's the first time ever that I've tried to learn more a=out you other than what you have included me in, IT WAS LIKE BEING ON THE =UTSIDE LOOKING IN AND BEING ON THE INSIDE LOOKING OUT! I was a little f=eaked out to find out what some of the girls said about the situation, =ome things I could relate to but mostly I think I still know you to a cert=ain extent and I still cherish that nurturing (your seedling) presence in m= life at the time.

Your life and your intention are for you to determine, from an external per=pective I seem to feel like you're chasing some high especially as far a= your tendency's toward women is concerned. I'm sorry if you're offe=ded by my references to a difficult situation in your life, I just feel li=e I need you to be aware that I have mixed feelings about my time spent wi=h you and that I have been marked by you in a way that affects all subsequ=nt relationships.

ARE YOU SIGNED UP FOR SKYPE? We could chat some time especially since I don=92t think I can visit before October or November, I'm travelling around =europe for four months as of May.

Please let me know how you are.

Love,

Francis

PS: My mobile phone was lost in a robbery and I lost all your contact=details, if you want please forward them to me.

TAKE CARE
