Dear Jeffery, t=e mood images were only a tool for us to get a feel of the overall style an= look that we thought you would like. Many of the images come from Bali and=many others from different places in Mexico and many different Design Firms=

We will take some elements and create our own ori=inal designs for you, which will be presented to you in renderings we are w=rking on right now, just like we did with the pavilion idea and I am posit=e you will love them.

We will certainly need=help down the road, like all the consultants we explained, such a= Engineers, water feature experts, etc, etc and we will propose the most su=table ones when the time comes.
