I think The luck has forgotten about me! Lately I've been only through =ought expiriences!

This weekend an ATM ate my card, and I can't get it back, the rules are =ade like this looks like! Even though there weren't much money on it..=now is even worse. I have to pay the rent, and now I have no money for tha=. I'm a bit sad...

I still have no news from Findus...

Maybe we skype later...
