Totally remote idea for your consideration, based on your liking of =private wealth management. We set up small investment highly private office in London with small =outpost in Beijing, for high net worth individuals - targeting Chinese =but not exclusively) that works like an extended family office. We very discreetly make PA part of it and use his "aura and access", you =ake/decide on the investments and I manage the day to day =operations/Chinese client management & acquisition....
