How many side effects has this pepto bismol... You heal one place in our=body, but destroy little by little others... At least than you r busy heali=g yourself all the time... And pharmacists make good money :)

All the p=ins is for the reason I think. you ate bad-next day you will have headache=you have cramps on your period-deal with it,bec mother nature is preparing=u for labor!!! And here everybody is crazy about all pills!

I am not a genius that spends hours in labatory but I listen to my body.
