Hey Bossman,

I was feeling a bit overwhelmed at first because everything looked like a disaster but now everything is coming together and it look so good. 😊=

I found out that I can get Local WAPA water since I'm on a Main road= They told me to check for ground piping around the house and I have one. I=E2♦♦m going back to WAPA in the morning to see how fast they can unlock=it 😊 once that's done I can clean out all the Cisterns &=repair all the cracks.

The walls in the house are going up in the morning, I'm so excited!!=😊 Thank you so much from the bottom of my heart xoxox for everyt=ing
