Hi Jeffrey,

Long 2 weeks. I didn't have a day off in 14 days. No deals yet, but I closed one of the very difficult deals that was from a few weeks ago. Also I have 2 very strong maybes that could work.

I am starting to generate my own clients who want to work with me :)

I got my first sales appointment so that is interesting.

Henry's intern is great. She is doing a fantastic job and is very cute and enthusiastic.

Also Henry is giving me his sons Loft to rent so I am excited. It looks like a great space.

I have an interview scheduled with Estee Lauder on the 29th. I don't think I am interested, but it maybe a good idea to go.

I am mad at you. I can't believe you were in ny with [REDACTED] and neither of you called me.

I would really like to say hi, hug you and catch up. No strings, just the pleasure of your company. Sorry letter p is not working well on my phone.

HoPefully you can make time soon or do I need to give you an incentive =o see me?

Kisses

Hi Jeffrey,

Interesting week. I doubled my advertising and getting a lot of calls. Didn't close any deals, but saved one of the previous one's from fallin= apart. I switched the client to a different apartment.

The intern Henry sent me is very helpful. She is doing my advertising and i= working on recording all leads and tracking their status.

The sales training is off to slow start, but I am not worried about it righ= now.

I am committed to putting together a system that will consistently produce = deals a week.

There are 3 parts to a deal. Advertising, qualifying (ranging the client l=s expectations and separating serious clients from time wasters) and know=ng the inventory to show. I got the advertising down. I am working on qual=fying and the inventory.

There is one girl in our mentor group who is great at qualifying. She di= 4 deals this week, which makes her number one agent for the week. I am ha=ing her help me by recording her phone conversations with clients and havi=g me sit in on the meetings. I would like to replicate what she is doing.<=r>

The inventory part is where my intern comes in. Her name is [REDACTED] and s=e is very cute :) I'll have her go and photograph all apartments that = would like to show.

So thinking longer term hopefully by the end of the month I have a system i= place to consistently bring in 3 deals a week.

That's much higher than average, but I will not settle for less.

Other than work and dinners with Henry I don't have anything going on. = need to find some girlfriends to hang out with.

I should send you a picture, I look pretty cute lately.

I had a weird dream last night you were in it. You told me that there is al=ays a gap in inventory (something missing that clients want) and that I wi=l be successful I just have to keep showing up.

Write back

Miss you
