Hey Bossman,

In the beginning it was crazy and overwhelming because everything was a mess=but now everything is starting to look so good 😊

The walls are going back up in the morning and hopefully the doors as well. T=is is so awesome!!

I found out that I can get local WAPA water since my house is street level. T=ey told me to check for any visible piping and a meter in the ground and I h=ve one 😊I'm going back to WAPA in the morning to see how=fast they can connect me. If all goes well then I can finally clean out the=Cisterns and repair all the cracks

Bossman thank you so much from the bottom of my heart xoxo I really don =99t know how to ever repay you for everything you've done for me = Anna xoxo
