Thinking of the=girlfriend of Christians that you met, was it his wife before they were ma=ried maybe? Deborah Comte-Liaigre, tall and thin with red/brown hair= I thought because it was long ago it could be, but then did the math and = still end up with a decade too much for you. (Even without knowing her ag= and giving her the benefit of the doubt.)

She is Creati=e Director but is stepping down, and was here last week from Paris for our=installation. I'm dying to ask her regarding the island but my work em=il is open and I would be in such trouble if I approach her with personal =hings/anything without instruction.

She is the one who would kno=, after being married to him.

Our US =ide is not the same level
