Jeffrey, I've just watched 5 episodes of this series "Genius" about Albert Einstein ! Maybe you will enjoy it too! its about You! Brilliant mind-Genius!
For cozy, winter evenings!

p.s. Also I just find out that in my present home in Monnetier- Mornex Richard Wagner wrote "Ride of the Valkirias" ...here he spent lots of time catching an inspiration from Alps:) it doesn't mean that much today, but for me, who is so ramatic about the past and poetry it means a lot:)

Big kiss
