Jeffrey

Audio Advisors just received these as trade-in, "Sonos Faber Amati Futura", I'm told original price was \$36k Current Ask price \$20k,, I know we could get a better price, I'll demo them on Monday, since Audio Advisors are not open over the=weekend.

4x4 CanAm

I also ordered the 2018 CanAm Gel seat for your 2016 CanAm on LSJ,,

Thx
