VIYA= met with them (VIYA contractors) last week. They are insisting=that we need to pay them \$12K to hook LSJ back up. I checked with fr=ends inside VIYA and they are telling me not to pay but I can't le= the contractors know that we are speaking. My next step is to talk =o a friend at the PSC (Public Services Commission) and get a read on what =e thinks. At any rate, VIYA is saying 30-45 days out from the time t=at we pay them. Do you want me to continue to fight the \$12K upfront=fee?
