i will call you in a little while. these questions are silly. and not your responsibility. 1 if it were they are too late. as food is already bought. 2. dont involve me in silly things I dont have the time. 3. did you find a prep nursing class and or health things for me. 4 I am very annoyed at you giving me wrong answers first and then checking to see if they are right. . . you have been acting very strange. you have my full support you are not in danger or anything. but bring [REDACTED] to my house. . . having her smoke. in it!!! , and then worrying about what to say to her. is nuts. . the priority is the FUCK UP , by bringing such a person. --- I trust you to not put me in a problem. . I looked at the girls ticket but you told me it was the wrong day. you spent time with [REDACTED] , but obviously no good results. . I make special plans for just you and I in Carnegie hall , and you come on the verge of tears. and anxiety.

as you know I want peace and quiet. not stress, bad answers= bad girls and many silly questions while the important things get left on the wayside. .

In your attempt to be seen as smart you continually ask questions designed to show you are aware of things, in front of others. !!!!!. we need to face to face .

Good morning!

Does anyone of your guests today has special food restrictions for the lunch?
Should I ask about it Lesley? Or Valsent knows everything?
Should I prepare anything for you today?

Thank you.
