Larry, I just explained to Nick that to say i am disappointed with th= work so far in the gym would be an understatement.. First they located th= equiptment in the storage area near the bathroom- to insert a dvd a=guest is expected to climb over the junk, after finding a dvd,soemwhere in=the gym, .. insert it,, then find the ipad.. turn it on, and scroll thorug= the menus, all the time looking at the tv to navigate ,, with no glasses = couldn't see it. no way to adjust anything except volume, and that=not very nuanced . m, as opposed to the 150 dollar belkin ipod dock,,=A0 the subwoofer speaker is blown,, the monster amp doesn't work,, I w=ll send you a photo of the rack of equiptment. that nick thought was ok fo= this job/ and the installation. I am very very annoyed.
