That would be =reat. Right now, the following are all good options...the only =ajor variable is that we are trying to get a meeting with Howard next =eek and we don't know when it may be scheduled.
But=let me know if any of these work for you guys:

Tues - after 2pm
Wed=- after 1pm
Thurs - any time

AA

Can we do an in person update at ADFIN a next week
What works for you both,

.....
