Hello=Sir,

How are you? =ooking forward to your birthday?

I have to apply for a Spanish work visa =nd in order to do so, I need a certain package of documents. Need to =resent a bank account statement (proof that I =eceive a minimum of 532.51 € per month) so that would be 6 =onths in total.

I understand that it is a large sum of =oney, but unfortunately it is a necessary confirmation for the =mbassy.

Second issue is =he accommodation. I have been searching for an apartment near =he hotel and found 3 good options. Maybe you would like to take a look =s well.
