Sorry Jeffrey for what I wrote to you. I realize I've exaggerated (like always). I often tend to mix fantasy with reality= You are right, I have to work for it. I will send you the contract as soon as I get it. Hopefully for the office, if not then for the shop.

Sad to hear that the only thing=you care about is your money. What serious damage did I do to you ? You used the term stealing when the only thing I did was taking a film class I was=interested in after the semester was already paid. I didn't take any extra money for it. You make it sound like if I robbed you or I don't know what, telling me horrendous things for years, even after I apologized.</=iv>

What you did to me =as much, much worse because you interrupt my studies, left me in the street and all this in the middle of my growth without carrying about my future =nd all the psychological consequences that followed, including my attachment to you.

I cared about=you more than everything and loved you more than anything I have ever seen=or imagined and you hurt me greatly treating me like a pair of shoes.♦=AO
