apologies -- i just hung up on a guy from the london something or other -- he had my home number, which surprised me, as i don't give that out =o many people... he started by saying -- "you know Jeffrey Epstein...." I said, "I do, but I don't have anything to say here." He =nd I had already established that I wasn't feeling well, when I first =icked up.

i've been slammed with the flu for days... i went down on thursday =fternoon and barely made it home.... crashed, resting, still have a =ever. I'm seriously not in shape at the moment.

I wanted you to be aware, since I doubt someone would have my name or =ome number unless you or ? had given it to them... I'm sorry I wasn't =p to this... I'm not. I'm super crashed....

loved seeing you!!

xo
