Subject: Happy Birthday to best man ever!!!

Happy Birthday!!! I really wanted to say my wishes =ot on a text as I feel it less intimate and cold... wanted to hear your vo=ce but doesn't seems like I am gonna reach you today... :(</=iv> So I wish this year be full of joy, happiness, peace =nd prosperity. May success and luck follow you and may only people who tru=y love and care about you stay in your life. I already told you for new ye=r how I feel about things and how grateful I am to have met you and know s=ch a bright, kind and amazing man as you!

Yo= are my family and I love and deeply care about you, so I wish you s=rong Siberian health. It's not an easy year for you so I will make=sure you have a healthy one🍀. 😊
