Jeffrey , It should now be apparent to both you and Glenn's own c=unsel that there is a serious problem . In today's email it states that Glenn now admits to k=owing about the Zwirn plane in Sept or Oct of 06.- both before your withdrawal notice of Nov 13.06 . His protestations and rantings at our last meeting, witnessed by his couns=l confirmed "Had he known , he would never have convinced you to only=put in for your 80 million withdrawal". He is in a box. We know that Schulte Roth was called in in May 06 , so that is really when=20 he first found out. The money for the plane was taken from the Highbridge=A0 managed acct. Highbridge was owned my JPM at that time. This is ugly.
