tried calling you a couple of times

am =n FTL getting a new MAC and attending to some business before flying back =o Jamaica this Tuesday

was not intending to visit=you but just have a short chat

can not figure out=quite what to say to John Brockman—best would be to have his son M=x represent me—if i get myself organised i will copy you on the ch=nce that you may wish to say i seem as 'brilliant' as ever or what=ver is true and that i am very active with multiple ideas (e.g. Honour Kil=ings)

all best, as always
