Subject: Repatha drug-self pay or go through insurance?

RE self paying vs. insurance covering Repatha Drug: Kristine from Dr. Shimo=y's office says unfortunatley your LDL could not be calculated the w=y your insurance company must see it to approve coverage for Repatha...=o if you wish to go through insurance, you must have another blood test don=. Or you may pay out of pocket to the pharmacy...Pricing below:

\$1150 for one month

\$6900 for 6 months

\$13,662 for 12 months (they gave you a tiny discount if you paid up front fo= 12 months)

Please advise if you wish to take another blood test and try to have insuran=e cover the cost with a small co-pay or self pay.
