Sad to hear that the only thing you care about is =our money. What serious damage did I do to you ? You use the term stealing=when the only thing I did was taking a film class I was interested in afte= the semester was already paid. I didn't take any extra money for it. =ou make it sound like if I robbed you or I don't know what, telling me=horrendous things for years, even after I apologized.

What you did to me was much, much worse because you interrupt my studies, left me in the street and all this in the middle of my growth without carrying about my future and all the psychological consequences that followed, including my attachment to you.

I cared about you more than ever=thing and loved you more than anything I have ever seen or imagined and you= hurt me greatly treating me like a pair of shoes.
