Thank you,, to be clear,, What I said was that the major , by far, issue wa= triggered solely and exclusivtely as a result of your unliateral decisi=n, to give and interview. I did not say it would calm down, I did sa= that the pivot point, and the only real trouble that I have had in all th= time this has been going on is as a result of the interview you decided t= give, without consulting me without the necessary protections in place= and further that after the deluge, there was no follow up correction imme=iatley to mitigate the massive damge that it had caused and continues to c=use,, I hope we can work together to rectify a situation that I know ca=ses you pain. AFter the intl headlines. . I also think an email to me = from you would have been appropriate. at a minimum.
