Jeffrey,
The latest update on Libya trip, possibility of flying passengers into Malta only, they would take a boat into Libya,.

Still waiting on upgrade to 500 Million liability from our insurance i= we only travel to Malta, will have that number on Monday,.

here is prelim on trip at this point:

our insurance would only provide 100M liability for travel into Libya,=US State Department requires 250 million minimum,.

Rich/Jo=,

At this point our indication for the flight to Libya is \$115,000, of which=20 the hull war is \$37,500. All fully earned.

The Limit of Liability we can offer is \$100M All Risk / \$100M Third Party War=20 Liability.

We need to warrant the aircraft is on the ground no more than 4 hrs in Libya.=A0

Pls confirm when the aircraft is safely in Malta when able.

We also would like to know the security for the aircraft while on the ground.

Regards
