Dear Jeffrey,

I've been very remiss, and I'm terribly sorry. Having JoJo pick me up at th= airport made my entry into New York much more comfortable and I'm sorry I=forgot to thank you yesterday.

You've been incredibly thoughtful in your efforts to help me with my career=and I fear I've taken it for granted a bit. I really do appreciate everyth=ng you've done and I'm embarrassed that in person I didn't find it in myse=f to be more forthcoming. McQueen has been an amazing experience for me an= already in many ways has helped me.

I feel somewhat embarrassed over your email, but thank you again for all yo=r efforts, and I'm sorry.

I am willing to help. However I must tell you that I was somewhat surprised=that given the fact , that - I had sent my personal car to pick her up at =he airport .- organized an apt. . spent the time to consider future alt=rnatives , that ████, neither sent a thank you note, said thanks,or=A0 brought a cookie of a thank you. No matter what career she choose=. , and I woudl very much like her to succeed, and be fulfilled and indepe=dent. -- AS I told you years ago. concentrating on what you get as oppo=ed to what you give ,, is the English recipe for failure. Yes , I can o=ganize the Core Club for you, for services, for facials. for most things,=A0 but not once did you say,," I would appreciate that". not once. not =ven thanks for tea.
