Jeffrey,

Quick update, we are still in gulfstream class, Spoke to Cleo, he said he still controls 100% of his hanger, he said air center's hanger is to small for his operation, since his caravan doesn't fit in hanger,. He offered us to sub lease from him, you are correct,,,=he can't afford what he has, my gut tells me, he's only going to pay port authority a 1/3 of hanger rent, and use 100% of hanger since =ts a mess of junk in the hanger, When he pulls his caravan in the hanger, the wing span fills the entire hanger.

I'm going to speak to Rod after class today, before sim session, Thx Larry Sent via BlackBerry by AT&T
