Can you imagine all the great things I could have do=e in 3 years if you had helped me properly in the right way with consisten=y instead of just wanting to prove a point and criticize me the whole time=?? I could have lived and worked in NY, Parson school, best internships, b=st photographers, acting school... but for some reason you always rejected=me, you never allowed me to come to NY, never allowed me to follow my pass=ons and all the internships and jobs that I did I've always had to fin= them on my own with none of your help and still it was never ok for you. =nstead of pushing me and do everything in your power to realize my dreams,=you stopped me, pulled me back saying " this is the price you have to=pay" or " you haven't finished your sentence" making me=lose the 3 best years of my life from 20 to 23.

Sad to hear that the only thing you care about is your money. What s=rious damage did I do to you ? You use the term stealing when the only thi=g I did was taking a film class I was interested in after the semester was=already paid. I didn't take any extra money for it. You make it sound =ike if I robbed you or I don't know what, telling me horrendous things=for years, even after I apologized.

What you did to me was much, much worse because you inte=rupt my studies, left me in the street and all this in the middle of my gr=wth without carrying about my future and all the psychological consequence= that followed, including my attachment to you.

I cared about you more than everything and loved y=u more than anything I have ever seen or imagined and you hurt me greatly =reating me like a pair of shoes.
