Subject: Midnight express

Jeffrey,

I've had two calls on the midnight express, one pretty serious inquire from a guy in Boca (Barry Lehman), he wants to view boat on June 9th,.

I have the boat priced at 200k, with the cutty cabin un finished, the buyer likes the idea of being able to finish the interior with his fabric choices and install air conditioning,.

He is aware of the engines being 2005 Verado's,,and brought to my attention, the 05 verado's where not the most advantageous year.

I told them we have a fourth spare engine in west palm bch storage I would include as parts, .

Lamborgini guy (Rob) is still trying to decide if he's will to trade us for the midnight, I have requested the VIN on the Lambo so Hughe Bates can put a value on the car for us,.

Thx

Larry
