I think you should ask Wendall to recall the meeting he had with Sussman an= Glenn. Glenn was unequivocal., adamant ,and loud in front of them b=th - that had he known about ziwrn taking money for the airplane (form=the Highbridge acct no less , in dec of 04).. he would have immediatley t=ld me to take all my money out . He said he would have taken all his money=out .. We only receintly received the doc re garding the schulte =eting,, (shulte was called in in investigate the problem), where tho=gh my oral redemption request was in oct, and the written reduced demand o= NOV. 13,schulte had a meeting in sept in which glenn attended, that infor=ed Zwirn and Glenn of the problem in detail. (wendall knows this!)/ =I am aware of the issue being legal vs moral duty. However , the legal is =bundantly clear once all the documents are reviewed, as opposed to only=what wendalll has. I expressed in no uncertain terms in talking with Condr=n that I view this as a dispute (Me vs JPM , in the Bear STearns case) as=a family disagreement., hopefully not discounted , by my well stated desir= , never to file suit. that should not be a factor in a fair resolution of=both issues. Im not sure if Condren can say Jeffreys claim is worth x- =illion if he were to file a claim , and only x minus, , now that we know h= is unlikely to file
