Good afternoon Mr. Epstein,

Pertaining =o our conversation on Monday regarding the issue that Anna brought to=your attention. I would like to say that I was extremely nervous and may h=ve misspoken. I truly do not recall making such a statement o Anna but I w=s wrong to say that she was not telling the truth. I know that there is a =ig difference between me not recalling and saying Anna lied. I love t=is job and I enjoy working with Anna, the STC staff and feel horrible abou= you or her thinking that I am being dishonorable towards her; she is a wo=derful person and great to work with.

Please acce=t my sincerest apologies for any confusion and doubt that I may have cause= you about Anna. I have apologized to Anna today as I am apologizing to yo=.
