Subject: I need help steering a path

Hi,

I am still wowed -- and a bit cowed -- by the amazing favor you did in engaging Bill Gates' attention to OptiOpia and the challenge of providing corrective lenses to those who need it, profitably, sustainable and at scale.

I have been quite distracted by the need to provision myself with a plan B, but am now steeling myself to go balls-out for a few months to raise money for OptiOpia and make this a successful enterprise.

I'd love to talk with you soon. I could use some advice and encouragement, though I don't have anything very specific to ask.

Good times to connect for me are:

(times in Eastern Daylight Time):

5:30 pm to 9 today, Friday

noon to 4 pm (at least) Saturday, in and out anytime Sunday after noon most of the time from noon to 7:30 pm Monday

When's a good time to call you, if you are in this hemisphere?

And I've not been following science research headlines for the last few months: what's excited you recently?

Cheers,

David
