Dear Vanessa,

Dear Jeffrey,

I met Vanessa last week and confirmed to her that my firm does not deal with intellectual property matters.

I have recommended to Vanessa a good lawyer in this field, Mr Patrie de Candé, MARCHAIS de CANDE, 29 rue Marbeuf 75008 Paris, tel. : (01) 56 59 76 76, e-mail : [REDACTED]

It seems to me that Vanessa should set up a licensing agreement with a company to fabricate and distribute her perfume. She needs for that to be advised by a lawyer, it is not such a complicated matter, but I understand that the cost will turn around 10 000 euros.

Feel free to contact Mr de Candé on my behalf. Another possibility would be Mr Emmanuel Pierrat, 91 boulevard Raspail, Paris 75006, tel. : [REDACTED]

I'm not in Paris at the moment and I will go to Brazil on the coming Wednesday evening, but you may reach me on the phone or by mail, if necessary.

All my best,

Matthieu de ROISSÉSON
