Jeffrey,

All is good with engine, did three oil flushes and flew 3 hours, no defects,. I feel good about it,.

Weather permitting I will head to st thomas starting tomorrow afternoon, I'm going to fly a Bell 427 tomorrow morning, a friend from Water/Waste Management who flies a 427 based here at Galaxy, I asked him about performance and offered me a 20min ride,.

I will get to stt, have Brice and gary meet me at hanger and show them around,.I will plan to arrive in NY thursday night with Darren to fly GII friday, if that is ok with you,.

Thx

Larry
