Good news

They solved the problem of getting speakers to play without having to plug in the whole rack of jbl gear

Bad news

Delayed till next week to get both sets up

Turns out all the speakers need to be replaced 6.5 cones not the horns

Good news

The speaker I heard sounds so much better like you said it would

Next week I will install at 71

Working this thurs at 301 to fix wifi and also will erase your old iPad at 71

Thank you for these jobs Jeffrey it really helps

Any issues let me know

Best
