May I read Anna Karenina? I have brought from Moscow just before we spoke a=d you gave me an assignement. I can't wait to read it.

Definitely I want dream about dogs, because I will dream about my assigneme=t! The most beautiful things! I think I have formulated the answer during =reparing to sleep.

I also hope that I won't dream of you because last time I dreamt of you, th= following day you wrote me those angry mails.

I like to speak to you because you make me think. By asking some questions =ou push me so far in my mind, I do not know how to explain in english, but=these questions make like an echo in my head, like a labirint, and i am go=ng deeper and deeper. Just do not take the wrong roads in interpreting me,=just do not interprete me.

For whom was the question about the pieces of the life?

Good night
