we're on the same team. [REDACTED] testimony was that discussions with lovers , often include emb=llishments. and not indicative of non professionalism. =C2 I believe he said nothing more than it referenced " andys offic=". . [REDACTED] says andy was there. how man= other people were there ? were [REDACTED] and [REDACTED] off in the c=rner talking to each other . was mccabe on the phone? =A0 you know that taking emails alone is not meaningful. . =A0 isnt it a but much to say that prosecutors that have strong opin=ons . should be looked out with skepticism? who doesnt have b=as. . [REDACTED] had many neg hillary opinions . . - =michael cohen. michael flynn.. are not fictions created by mu=ller ? how are you ?

On Wed, Jul 4, 2018 at 8:31 AM, <=pan dir="ltr"><Gotti was an anomaly beca=se of his personality (some agents loved him and some hated him); but I ge= your point. Couple of things: <mailto:[REDACTED]>

1. This the investigation of the President. It is only as =ood as public confidence in it can be (subtracting the conspiracy theorist= on both sides). We just can't have someone with this kind of po=itical bias as a lead investigator. But more importantly, he was not=alone. He was just stupid enough to show it in office emails. =e don't yet know what his private emails showed. [REDACTED], however= says that he met with McCabe - the number 2 guy in the FBI - and in his o=fice discussed how best to stop Trump from becoming President. That =ust cannot be tolerated. Plus, if I find any evidence of personal or=other extraneous animus in any case by any agent or prosecutor, I view it =s an open invitation for cross examination and any other exploitation poss=ble as it cannot be an accepted part of the process.

2. In this whole matter, I am most disturbed by the composition =f the Mueller team and it seems to me that if we are to learn anything fro= the IG's report it is the importance of having an investigation condu=ted above-board without personal and political baggage. Mueller had = whole universe of lawyers from around the country to choose from to make =p his team. He purposefully chose a murderer's row of the worst.=C2 I can go one by one; but I will spare you. Here are a couple o= examples:

A. [REDACTED] was known in the EDNY as "The Pa=hological Liar" after the SNL character. He literally would wit=hold exculpatory evidence throughout the case and then one day when defens= counsel went to the bathroom or lunch, stick the documents under others o= his table and tell the judge the lawyer had it all along. I have been brought into a case in which he lied from start to finish - and now his =ats have come to me to admit their role in it - to get murder convictions =n two cases. He has been cited by judges for his misconduct and he r=nined both Arthur Anderson and Enron through his work, all of which was re=eected by the higher courts. He also is a Trump hater and Clinton syc=phant. Mueller knows [REDACTED] conduct up close and personal.=C2 He chose [REDACTED] for his chief counsel at the FBI years ago.

B. [REDACTED], hand-picked by Mueller from Mueller's own f=rm, was actually Clinton's lawyer in the email investigation. No= how does that look. She also is a bully and thinks she is a real to=gh guy and I don't want that kind of character around. I also ha=e an ineffective assistance of counsel case against her for a client in a =100 million earnings management fraud case in which she was way over her h=ad.

C. [REDACTED] was another bully who replaced [REDACTED] in the E=NY. He withheld evidence terribly in his cases, regularly threatened=others, and accused a defendant of putting out a contract on him when he k=ew it was a

completely bogus claim, but gave him the publicity he craved.=C2 He is 100% in the pro-Clinton, anti-Trump camp.

[REDACTED] gave his [REDACTED] a federal judgeship on the [REDACTED]

and on and on.

I don't personally believe Russia affected the election at all; bu= I certainly am not qualified to say. I do know that we have meddled=in other countries' elections as a matter of policy forever. But=the bottom line is, if there is to be an investigation, just play it strai=ht up. I am friends for a long time with the IG. If they had p=cked him to head up the team, I would not be a weekly guest on Hannity tv =nd radio (I never would have been asked), as I know he would pick a team o= honest folks from across the spectrum.
