Good Afternoon,
   Just in case any of you are looking for me this afternoon, I've gone to my Dentist Appointment ████████
████ Pray for Me!
  Arron called and said a boat
Was leaving and I should jump on it, so I did.

   As for the Bottle Palms, unfortunately the Lull burst a hose, so we couldn't get them in the ground before lunch as
we'd hoped, but the mechanics have told me that after lunch it will be up and running.
  If they are able to get the lull going, we Are All ready to Plant.
  Peter and I dug the holes yesterday with Shanes's help.

  Also, At Mr. Epstein's request, Shane will be Present to make Sure All trees are lined up and centered properly.

  Thank You,
  I will see you tomorrow.
