Subject: PR Plant Order Proposal

Good Afternoon,

According to the requests for LSJ Landscaping made during your last visit,

I have measured the areas of concern and determined the needed plant counts.

For Clarity, those areas are:

- Owners road
(yellow allamandra plants)
- Owners Sugar Mill Walls
(Yellow amandavilla vines)
- Courtyard main entrance
(orange heliconia)
- Courtyard Flower Pots
(Red Amandavilla vines)
- Library Western terrace
(Yellow Amandavilla)

I have forwarded my plant counts to the nurseries in Puerto Rico, and have not received an invoice as yet, I was told that they do have what I need in stock, they only need to calculate our discount, and send me the invoice.

I called today to see what is the hold up, and apparently there was an accident on the farm with some serious injuries, and that has taken a lot of attention from other matters.

However the sales manager assured me that, I will get my invoice by 5pm today or first thing tomorrow morning. As soon as I do I will forward it for your review and approval.

This will also include the invoice for the Palms:

Coconuts
-20 for Northeastern Road to Library
- 2 Large for Main Pool
- 30 for Eastern Beach #2

- 14 Bottle Palms for western Pool

Thank You,

Igala Joseph
