waiting on more clarity but a few initial hurdles are as follows:

3 models now are: LS (basic) LT (more options) Premier (most options) formerly called LTZ which is what your 2016 model is ..

i am being told that front bench only comes in LS model which is cloth not leather i have 2 dealers trying to source leather front bench but with other criteria of color combo black / cocoa dune and 2nd row bench seems unlikely..

probably will have to be a custom order but will have more info tomorrow..
