Subject: Demo update

Jeffrey,

You have been approved to ride on the GIV Sunday to Switzerland, the aircraft is busy according to the UAE brokers until Sunday, Don is not sure if there is a cost involved, my guess its free,, since the aircraft will dead head there,. There are a lot of people in charge and appears this aircraft has a USA partner owner and a UAE owner,, no one is capable of making a decision promptly.

Pls advise if you will wait or pass on this offer to fly Sunday? I can't get a firm answer why you can't go early, they only say the plane is busy,.

Thx

Larry
