I think you are right but at least she has a=routine. An apt would cost around 1600 per months which means if you pay 6 m=onths for her. It will be 9600 pound. She works 9 to 5 and she also babysit w=ekends. I think if you pay her an apt then she could live with the 900 she e=rn.

Hi Jeffrey, how are you?

=

I am sorry to bother you with this request but I don't know what to d= now. My grandma discovered that [REDACTED] she was staying at her place in L=ndon and she is really upset with me now and doesn't want [REDACTED] o= me to stay there anymore. [REDACTED] has now a job in London that pays her 9=0 pound per months and doesn't allow her to pay rent. She just rest=rtd from Christmas but I told her she cannot stay anymore and she doesn't want to lose the job. Also her mother rented her room in Rome so she=really has no place to go. I don't know what to do. I asked Edu if h= could pay for her rent but he refused. It's a big problem for me. I=have barely money to maintain my self and for sure I cannot pay also for [REDACTED]. I know she disappointed and you don't want to have anything a=ymore with her but please do it for me. Can you rent her an apt in London f=r at least 6 month so she stay there and go to work everyday. Let me know! I=can look for an apt for her and you tell me how you wanna do it. Otherwise p=ease, do you have any other suggestions? I cannot leave her in the street..=
