Its not as much as the school as the qualification you achieve by doing thi= course. The exams are given with this CIM accredited worldwide institutio=: <http://www.cim.co.uk/home.aspx> <<http://www.cim.co.uk/home.aspx>> .
i don't consider it necessarily only money operation as most of th= companies here pay for their employees to have this qualification... My p=evious employer was willing to pay it for me if I would have stayed with t=em for over 1 year...but you know the rest of the story...
u never trust me :(

Hi Jeff,

Please don't take it the wrong way.

You always pushed me to study and have a strong professional career. And all the time told me that your help out with that by subsiding the certain course. Is that offer still available? Would you be able to help in this situation?

I thought I'll be able to make it on my own, but usually this kind of expenses are covered by the company I'd work for.=.there is no student that pays on it's own... (also because it's a postgraduate). And since I'm in search for a job still, I'm struggling with paying it. I don't want to give it up....I already payed the first month fee, and on top of the below scheduled fees I'll have to pay an extra £400 for registration on the CIM website + exams fees. You are my solution... if not, I'll probably loan money till I find a new job.=.

Feel free to say no, but I'm counting on your help.=.

Many thanks,
