I would like to help.. This school is not a real school// Three years ago I did say that I would put you through a real school, you said no= you wanted to model and live with your boyfriend. Two years ago I tried to get you to go to school and stop trying to model. I introduced you to Lyndon. I still would like to help, but these fake academies that offer certificates in marketing, are only set up to take advantage of people. You need a real plan with a future
