Good afternoon,

I need a last minute plant swap approval.

Our flowers will be loaded Wednesday and Thursday, and shipped Friday, we will unload on LSJ This Saturday August 13th.

I just got off the phone with the farm and, it looks like there is an issue with the 100 white oleanders, they don't have enough to full the order, however they DO have pink and red.

Or they have Taberna Montana which is this lovely white flowering plant in the picture, it will give the same white flowers and it is the same price.

So yes to Taberna Montana or yes to Pink/ Red Oleanders?
