Subject: Mount Sinai Palm Beach

I just toured the new Mt. Sinai facility down here in Palm Beach. It's just over the north bridge on the 1st floor of that building. You can see the sign when you're driving over that bridge. The address is 625 North Flagler Drive, West Palm Beach FL 33401.

They currently have internal medicine, cardiology and gastroenterology, and they accept almost all insurance plans. They are adding geriatrics, pulmonology, ophthalmology, dermatology, and endocrinology in February and March.

This could be great for someone who doesn't have access to Bruce Moskowitz since they take insurance and are wide-open schedule wise. To make an appointment, the best people to contact are Stephanie Soss and/or Alison Iacomini (contact info below). If you have a hard time getting an appointment, tell them you are a friend of mine.

Stephanie Soss

Also, next door on the ground level is an urgent care center which is open from 8am-8pm and run by Jupiter Medical Center. Very good to know...

Best,

[REDACTED]
